

Azad Mamiyev

Date of Birth: 4th July 1998.

Height: 5 feet 8.5 inches (174 cm).

Nationality: Azerbaijani Turk.

Occupation: Software Engineer (Android).

MBTI Type: INFJ (Advocate).

Languages: Azerbaijani, Turkish, English, Russian.

Relocation: Possible. Europe, West Asia.

Short Info: 23 y.o. Family-oriented person. Currently, working as an android developer in a Czech company. I always want to be better a person, so I enhance my personality, knowledge, career skills.

Background

Salam! I'm Azad from Azerbaijan, the land of fire. Currently, living and working in the Czech Republic. I'm a practising muslim, who prays and fasts. I'm into travelling, poems, technology, history, cultures, philosophical & psychological talks. I'm a neat who appreciate purity and minimalism in the house. I can cook!!! Oh, and I want a cat after marriage.

Hobbies

Before finding myself in programming, I used to take pictures. It is still part of my life. I hope you'd like my pics. I also like musical instruments, like guitar, piano, piano and kalimba. I love reading poems and want to be good at writing as well. Regarding sports, I'm fond of swimming as I was born near the Caspian Sea.

Whom I'm looking for

A practising muslim, who is spiritually understand Islam. I need a person who has strong empathy, is supportive, romantic, optimistic, sarcastic humour, who wants to create a family and healthy relationship. The person who wants children and care about elders. It will be if this person will be good at cooking, baking and have willing to work. ♂
